Callao, Perú · www.andiis.dev · +51 923 408 068 · andiinfantes@gmail.com

Systems Engineer with 2+ years of experience in backend development using .NET and SQL Server. Experienced in designing APIs, microservices, and enterprise systems for the pharmaceutical sector. I have contributed to the implementation of commercial platforms that optimize sales processes, reduce operational times, and improve inventory management.

PROFESSIONAL EXPERIENCE

Distribuidora Droguería Alfaro S.A.C

Systems Assistant

Lima, Peru

January 2024–March 2026

- Designed and developed the Warria v2.0.0 web platform using .NET 8, ASP.NET, and SQL Server, centralizing order management and regulatory documentation, improving traceability and compliance.
- Contributed to the design and implementation of a unified sales and credit system (Pedidos v1.0.0), integrating multiple stakeholders through REST APIs, reducing processing times by more than 80%.
- Developed a multi-source quotation system that enables efficient price comparison across multiple laboratories, improving customer response time and commercial competitiveness.
- Developed a stock query microservice based on service-oriented architecture, improving supply accuracy by more than 40% and reducing inventory shortages.

Servicios Postales del Perú S.A.

Systems Engineering Intern

Lima, Peru

September 2023–January 2024

- Identified, documented, and tracked incidents in applications and services, contributing to their resolution.
- Provided technical support to users, ensuring timely and effective assistance in over 80% of cases.
- Managed service requests and coordinated with external vendors to ensure continuity of technological services.

Mariaranda S.A.C.

Technical Support Specialist

Lima, Peru

Mayo 2021–Junio 2023

- Efficiently resolved technical incidents, reducing operational downtime by more than 30%.

EDUCATION

Peruvian University of Applied Sciences (UPC)

Bachelor's degree in systems engineering

Lima, Peru

December 2024

ADDITIONAL SKILLS

- Native Spanish speaker. Intermediate English proficiency.
